

Older Adult Day Services Questionnaire - Unpaid Carers

Older Adult day services support people to engage in activities including those that are beneficial to their health, well-being, nutrition, daily living, and ongoing social engagement. This may include a range of sport or recreational activities, meal clubs, support with learning and retaining skills and personal and healthcare activities. Day services can be buildings based or happen in the community and can provide valuable respite for unpaid carers.

1 - Which area of Perth and Kinross do you live in?

2 - Does the person you care for currently attend a day service?

- ☐ New Rannoch (Go to Question 3)
- ☐ Strathmore (Go to Question 3)
- ☐ Kinross Day Centre (Go to Question 3)
- ☐ PKAVS Day Centre (Go to Question 3)
- ☐ No (Go to Question 5)

3 - Would you prefer the day service to be based in a building, based around accessing activities in the local area or both?

- ☐ Building
- ☐ Accessing activities in my local area
- ☐ Both

Any other comments:

4 - Do you have any ideas for improvements in the day care centre that the person you care for uses? (Go to question 9 once completed)
